Swimming Pool Permission Form 2026

Children ages 10–12 may come to the pool without a parent or other responsible person age 16 or older if they are strong swimmers, have passed the swim test, and have this signed permission form on file from a parent or legal guardian. For everyone’s safety, resident children in this age group may not bring guests. As part of a pilot program, rising 9th graders may bring one guest. Pool management or lifeguards may suspend this privilege at any time, and an authorized adult will then be required for admission.
